Founded in 1996, FOUR COLORS is a Lebanese based company with an international standing.

Starting as a printing plant, it developed into a multi-service communications specialist providing concept management, graphic design and printing expertise of the highest standard.

FOUR COLORS is also one of the leading publishers of quality

ALL PRINTING SERVICES. and all kinds of promotional items specialised in Agendas.

FOUR COLORS is a group company, a closely held group engaged in diverse activities at several locations, worldwide. Sister and affiliated companies are involved in logistic operations, engineering, construction, commercial and residential real estate development and management, printing and publishing.

FOUR COLORS is a member of many leading international promotional products and advertising. Up to date with the latest technologies, the management and staff of us are as much responsive to market needs as they are to high quality and the imperatives of guaranteed timely delivery.

The launching of the FOUR COLORS in the Middle East has gained extensive acceptance and succeeded in outsell-

ing the traditional leaders in the corporate diary market place.

As a result of an expanding marketing strategy currently in motion.

As design consultants, FOUR COLORS has an in-house team of graphic specialists with a background of assignments rendered and accomplishments that range from turnkey corporate publications to museum catalogues. Constantly up to date with the latest technology in desktop publishing, they provide a comprehensive design service with the highest proficiency.

A large staff of highly seasoned and skilled technicians, with more than 14 years of experience, is but one of the pillars behind the fine quality printing, and finishing capabilities consistent at FOUR COLORS.
